Positive Parent Tip

Make time to talk with your child every day, so he or she knows that what goes on at school is important to you. When kids know parents are interested in their academic lives, they'll take school seriously as well. Because communication is a two-way street, the way you talk and listen to your child can influence how well your child listens and responds. It's important to listen carefully, make eye contact, and avoid multitasking while you chat. Be sure to ask questions that go beyond "yes" or "no" answers.

FROM THE PRINCIPAL ...

Dear WECEC family and friends,

Where has the first part of the school year gone? As 2018 comes to a close, there are many great accomplishments that have occurred. The teachers and staff are committed to ensuring that lesson plans are prepared to include activities that are engaging and meaningful. Please ask your child to share and discuss what they do each day in school. We know that many of you are excited to be involved with after school clubs as well. Our second session started this week, and the remaining dates for this marking period are December 12th and 19th.

You should have received your child's report card last month. Our teachers spent a considerable amount of time to give you specific feedback on how your child is progressing. Many of you also received tips and ideas for learning opportunities that you can create at home to help your child be successful. Thank you for all that you already do at home with your children in supporting their growth, development, and education. We all have very busy lives and making our children a priority is everything at this stage and age that we have them. These are the critical years that they will build on forever.

As the colder weather is upon us, please make sure your child is dressed in layers. Collared shirts should be worn underneath, but an approved uniform color crew neck sweatshirt or sweater may help to keep them warm. However, hooded sweatshirts and coats are not to be worn while in the building.

Have a great month and enjoy the extended time with your family and loved ones. On behalf of everyone at WECEC, we wish you a Merry Christmas and a Happy New Year!

Kim Mitchell & Dane Sears
