Dear WECEC family and friends,

Many times we are asked by parents, "What can I do at home to help my child be successful at school?" Our answer is quite simple, "Read with your child every day." Before, during, and after reading... praise your child, make predictions, ask questions, visualize the story, offer information, share personal reactions, and relate the story to life experiences. Most of all enjoy the story together and let your child see that reading is fun. Cherish this special time together!

This week is an exciting time. We will honor Dr. Seuss with a Read Across America Spirit Week. We will have fun celebrating reading all week long!

As a reminder, we are holding our annual Kindergarten Registration Nights (March 30 and 31, and April 7 and 8) from 4:30—7:00pm here at WECEC as well as a few daytime registration opportunities on March 27, April 28 and May 15 from 1:00-3:30pm. The flyer with all of the details is attached to this newsletter. If you or anyone you know have children turning five by the end of August, it's time for school next year.

Positive Parent Tip: Redirect, redirect, redirect. Children who hear "No" or "Don't" all the time tend to tune those directives out. So instead of telling your child what *not* to do, offer a positive behavior to replace the misbehavior. Frequently at school you will hear us refer to "Walking Feet" instead of saying "No running." Another example is when we compliment students who are "Showing the quiet signal" or who are "Making good hand choices with their hands to themselves." Other students will make note of this and change to follow suit.
