Ms. Kim Mitchell  
Principal

Mr. Dane Sears  
Asst. Principal

Hello WECEC families!

We can't believe the school year is almost over! We would first like to express how well WECEC students demonstrate "The Woodbridge Way!" They are working hard on their academics and CAREing behaviors each and every day. It is amazing to see how much all of our students have grown since the beginning of the year. Your continuous support has also been a huge part of the success we experience every day at WECEC.

We will certainly miss our second graders as they move on to Phillis Wheatley Elementary School in the next step of their educational journey in the Woodbridge School District. As we prepare for the transitions of the students, we would like to take this time to remind you to keep your children active and growing this summer. Reading each day, drawing pictures, playing board games, counting the money in the change jar, and exploring nature are all good ways to keep their minds fresh and active as they enjoy the time off.

Over the summer, our teachers will be busy preparing for the upcoming school year. We will continue to implement subject based instruction next year in kindergarten, first and second grade by changing classes. Our teachers will be paired with another teacher at their grade level and one will teach reading and the other math. The math teacher will also alternate teaching science and social studies throughout the year. It is our goal that teachers are "specialists" in their content areas where they can plan and perfect their lessons in order to improve instruction in the classroom. This has been a new practice over the past couple of years and our students and teachers have found it to be very successful.

We will miss all of our students and staff over the summer, but August will be here before you know it! Be safe and we will see you soon!
